

2022 Junior Fair Updates

*Below are updates that have been approved by Pickaway Senior Fair Board & Livestock/Sale Committee and/or shared from the Ohio State Fair as of November 2021. Always check the Pickaway County Fair website at <http://www.pickawaycountyfair.org/> for complete Junior Fair rules and updates.

County:

The 2022 Pickaway County Fair will take place from **June 18-25. All animals except market hogs will move in and weigh on Saturday**, June 18. For traffic control, please set up booths, set up pens and unload tack on June 16 & 17. A complete schedule is attached.

The number of animals allowed to be shown remains the same. Exhibitors may show a total of 10 animals with a maximum of five of those being market. A maximum of two market animals may be exhibited in each specie area except market poultry which may exhibit one pen of market chickens, one pen of ducks, and two individual turkeys.

Quality Assurance will take place via on-line YQCA training. **Youth may complete that training any time from October 1-May 1. They must complete the correct training for their age.** There are a few state level in-person programs that offer QA that meet the requirement. Examples are the QA offered at State Swine Day and Beef Expo. All certifications must be submitted to the Extension office or sharp.5@osu.edu no later than May 2

Livestock Skillathon Judging is a Junior Fair rule. That means all 4-H and FFA exhibitors must attend.

There is no longer a **Bull Calf Class** at the fair.

There will be a Breeding Gilt show again this year. Exhibitors may not use hogs being used for a market project. Gilts must be born after December 1 and in possession by April 15. Purebreds must submit registration papers, and crossbreds must submit photos showing notches by May 15.

Showmanship classes are by age not experience. Junior age 8 and 3rd grade-10 years. Intermediate 11-13 years, Senior 14-18 years. Llama/Alpaca Showmanship age is different. See the fair book.

PAS will be offered to our horse exhibitors the last Saturday of fair. This is a closed show for Pickaway Junior Fair youth only. **Exhibitors who would like to try out at another PAS show may do so** with the proper paperwork signed by the Extension Office. No releases for PAS during fair will be granted.

Reminders: The county raised classes require animals to be Bred, Born and Raised in-county. Please read the rules on this before declaring your animal for this class. We have a dress code for Junior Fair livestock shows and sales. You must follow it.

All fair market, breeding, and showmanship livestock entries take place through the Sale Committee's on-line registration website. The site will be open April 15-May 15. Following May 15, advisors will receive a list for review and corrections. Any late entries made between June 1 and the first Saturday of fair will include a \$25 late fee per entry except showmanship. Absolutely no entries will be accepted after the first Saturday of fair.

During fair all pens must be cleaned by 9:00am daily. At the conclusion of fair, all pens must be cleaned by indicated time or clubs/chapters will be charged \$50 per pen. Final pen clean-out times are: Sunday noon: poultry, rabbits, goats, sheep. Sunday 5:00pm: market hogs. Sunday 6:00pm: horses, llamas/alpacas. Beef: immediately after their release time.

State Fair:

Market animals can only be entered through the state fair on-line system. No late entries will be accepted for market animals. Reminder: Members must be enrolled and complete each project at the county level that they wish to exhibit at the state fair. For example, if a member wants to exhibit a breeding hog project, they must be enrolled in the breeding hog project, attend Quality Assurance and Skillathon Judging for that project.

2022 PICKAWAY FAIR SCHEDULE – approved by SFB 11/8/21
