Project information, opportunities and Ohio State Fair dog information will also be listed on the Pickaway County Extension website <http://pickaway.osu.edu>

Project Eligibility

1. 4-H members must be enrolled in the appropriate project in which they plan to show - Project #200 to participate in All About Dogs interviews; #201D to participate in the You and Your Dog interviews; Project #210 to participate in Assistance Animals interviews, Project #201O to show in Obedience classes; Project #201S to show in Showmanship classes; Project # 201P to show in performance classes such as agility, drill team and freestyle; Project #201W to show in the Assistance Dog class.
2. Youth enrolled in #200 should not be entered in any other dog projects. As this project does not require a dog, no dogs are permitted to be brought to project judging. Project #200 does not require permission or vaccination forms.
3. Youth enrolled in **#210 Assistance Animals** project may not bring an animal to project judging. Project #210 does not require permission or vaccination forms as this is a knowledge project and no animal is required for completion.
4. 4-H dog registration forms must be turned in to the Extension office by **MAY 1** (if May 1 falls on a week-end then forms are due the Monday following). If you are not registered, you will not participate in any of the dog project activities at the county fair. Registrations are required for the following dog projects: You and Your Dog, Obedience, Showmanship, Performance, and Working Dogs.
5. To advance to the state, You and Your Dog members must utilize the 2017 version of the 4-H Dog Project and Record Book at the State Fair.
6. For Showmanship judging and You and Your Dog interviews questions asked during the interview will come from www.go.osu.edu/dog and the Dog Resource Handbook which was **updated for 2024**.
7. 4-H members enrolled in Working Dogs #201W are eligible to show in the Assistance Dog class and are eligible to show in You and Your Dog, Showmanship and/or Obedience provided they are also enrolled in each of the respective projects.
8. Only domestic dogs can be shown. Wolf and wolf hybrids are not permitted.
9. All state and county laws pertaining to vicious dogs will be upheld and no dog under this law will be shown in Pickaway County.
10. All dogs exhibited must be six months of age by the date of the show. This includes Pilot Dog puppies and other assistance dogs. Dogs exhibited in Agility must be 18 months or older. Proof of age is the burden of the exhibitor or exhibitor's immediate family. Dogs not meeting this age requirement cannot be shown.
11. The project advisor of all dog obedience projects reserves the right to drop any dog if they feel it is in the best interest of the club; for example, if the 4-H member appears too small or too young to handle the dog. A good rule to follow is the handler should be twice the weight of the dog.

Ownership

1. Dogs participating in Obedience, Showmanship, Drill Team, Agility, Rally, Brace, and Freestyle activities must either be owned by the junior fair exhibitor or the exhibitor's immediate family. Ownership of Assistance Dogs is respective of each applicable organization. Dogs must be in the continual care of the junior fair exhibitor for the duration of the project. The date of ownership must be no later than April 1, or earlier as the date specified by the exhibitor's county. Proof of ownership is the burden of the exhibitor and exhibitor's family.

Definitions

- a. *Immediate family* is defined as the member's father, mother, brother, sister, uncle, aunt, grandfather or grandmother, including the corresponding step and half relations, or by a member of the exhibitor's household.

- b. *Continual care* is defined as the member being responsible for and involved in the feeding, cleaning, and caring of the project.
- c. *Ownership - Registered dogs*: The exhibitor's name, or a member of his/her immediate family's name, must appear on the registration certificate of a dog registered by AKC, UKC, individual breed registries, herding dog registries, etc. Co-ownership of a dog is permitted provided the exhibitor's name, or a member of his/her immediate family's name, is listed on the registration certificate.
- d. *Ownership - Non-registered purchased dogs*: A non-registered dog purchased from a private owner, pet shop, humane society, dog rescue, etc., must have the exhibitor's name or a member of his/her immediate family's name, on the bill of sale.
- e. *Ownership - Dogs found/gifts*: If a dog was given to the exhibitor or immediate family, or found by the exhibitor or immediate family, the exhibitor or a member of his/her immediate family receiving or finding the dog, should verify the date received or found by use of veterinary records, dog licenses, and other forms of records, and write a statement as to the definite or approximate date the dog was received as a gift or found.

Training/Showing/Titles

1. Lessons, instruction and advice for the member are encouraged. As long as the member is present in the learning situation, and handles or trains the dog the majority of the time present, such assistance can include occasional handling or training by another person. Only the member can train the dog at any type of training class on or after April 1, of the current year.
2. No one other than the 4-H member is permitted to show the project dog at any type of dog show, including fun matches, on or after April 1, of the current year.
3. Project eligibility and class or classes entered must be determined at the county level. It is the responsibility at the county level to determine what class the exhibitor is eligible for, and that the exhibitor understands the *Rules for State Fair Participation*, including the exercises to be performed for the judge.
4. 4-H members in respective activities and classes are expected to perform in those events and demonstrate those skills which are listed in the *Pickaway County 4-H Dog Rules*, in the Ohio 4-H Dog Resource Handbook, Ohio 4-H Dog Project and Record Book, on the various dog 4-H judging score sheets, and in the USDAA® Official Rules and Regulations. Score sheets used in judging are in the Ohio 4-H Dog Project and Record Book. They are also posted on the Ohio 4-H Animal Science website. These score sheets must be used for evaluating 4-H dog projects.
5. Exhibitors showing their dogs at any Licensed or Member Obedience Trial or at a Sanctioned Match must show their dogs at the same or higher B level classes than they are showing in AKC, UKC, or other titling shows. Dogs completing their Companion Dog (CD) title (or UKC or other titling equivalents) prior to, or anytime during, the project year must show in the Graduate Novice B class at the very minimum. Dogs completing their Companion Dog Excellent (CDX) title (or UKC or other titling equivalents) prior to, or anytime during, the project year must show in Open B or Graduate Open B classes. Any dog receiving one or more legs toward a title anytime during the project year must then move into the appropriate B class at the time the first leg was earned.
6. For Showmanship classes, dogs with AKC Jr. Handling or like experiences must be shown in exhibitor age-appropriate B classes. Dogs completing a title prior to, or anytime during, the project year must show in exhibitor age-appropriate B classes. Any dog receiving points toward a championship title anytime during the project year must then move into the appropriate B class at the time the points were first earned. This rule, if applicable, super-cedes exhibitor and dog information listed in the class descriptions found later in this document. Fun matches do not apply.

License and Health Requirements

1. All dogs must be currently licensed in the exhibitor's county of residence. (Exception: Assistance Dogs. Many Assistance Dog Organizations (i.e. Pilot Dogs, Inc.) provide the appropriate licensing document for exhibitors. If they do not, the exhibitor is responsible for licensing. Guide, hearing, or service dogs are exempt from any fee.
2. All dogs participating in the county fair shall be immunized against Distemper, Hepatitis,

Leptospirosis, Parainfluenza (CPI), Parvovirus (CPV), and rabies by a licensed, accredited veterinarian. **While the state does not require the Bordetella vaccine because kennel cough is not a fatal disease, it is strongly recommended that dogs receive the Bordetella vaccine due to how easily the illness is spread.**

3. A Junior Fair Dog Project Identification Form and Vaccination Certificate completed and signed by a licensed, accredited veterinarian is required for exhibition. Veterinarians must also provide their name/address stamp used in practice in the space provided. These certificates must include the name, breed, and age of dog. Other certificates of vaccination, computerized vaccination records, pet record cards, or kennel records will not be accepted. It is the exhibitor's responsibility to make sure that all vaccination requirements for exhibition are met.
 - a. The veterinarian must list the dates of the required vaccinations, or the reason for not giving one or more vaccinations, on either an ODA Health Certificate or the Current Junior Fair Dog Show Certificate of Vaccination. **Rabies is a required vaccination without exception.** Most dogs, unless it is their first time for a rabies vaccination, will receive or have received a three-year vaccine. The veterinarian must circle which vaccination (1 yr. or 3 yr.) was given, record the date it was given, and list the rabies tag number.
4. All vaccinations must be current through **June 22** of current year for county exhibition and **July 26** of current year for state fair exhibition.
5. Veterinarians must note any deviations from the required vaccinations (i.e. leptospirosis vaccination not given by veterinarian; dogs titer tested in lieu of vaccinations; or the veterinarian following the AAHA recommendations for giving vaccinations; etc.) on the ODA Official Health Certificate, the Junior Fair Dog Show Certificate of Vaccination, or on veterinarian's letterhead that accompanies the required health papers.
6. Any dogs exhibiting abnormalities or symptoms of sickness, disease, or parasite infestation will be eliminated from the show and must be removed from the Fairgrounds. If a dog is under veterinary care for a health condition that is not infectious or contagious, the exhibitor must bring a health certificate from the attending veterinarian verifying the condition and treatment.
7. Bitches showing signs of heat are not permitted to be shown and are not permitted on the Fairgrounds. If a bitch shows any signs of heat, she will be eliminated from the show and must be removed from the Fairgrounds. Decision of the judge is final.
8. Pregnant and/or lactating (nursing) bitches are not permitted to be shown and are not permitted on the Fairgrounds.

Safety and Sportsmanship

1. Dogs must be kept on leash while on the fairgrounds, except when participating in the ring during judging. Exhibitors are totally responsible for their dogs while on the fairgrounds. Exhibitors are expected to clean up after their dogs. Dogs must not be left unattended.
2. Dogs are not permitted to wear any type of muzzle, prong collar, or electronic collar while on the fairgrounds.
3. Any dog exhibiting unsafe or threatening behavior at any time before, during, or after exhibition **MUST** be removed from the fairgrounds and will not be permitted to return at any time throughout the Dog Show.
4. The judge or show officials will immediately excuse from the ring any dog exhibiting unsafe or threatening behavior. The judge will immediately excuse any dog that appears dangerous or that snaps, bites or attempts to bite. If a judge determines that a bitch in the ring is in season or appears attractive to males and is a disturbing element, the bitch is immediately excused.
5. The 4-H professionals and show officials in charge will have the right and responsibility to order the removal from the grounds any person verbally or physically abusive to show personnel.
6. Participants exhibiting unsportsmanlike conduct will have points deducted from that category on their score sheets and/or will be disqualified from the dog show.
7. Only the exhibitor's dog, exhibitor, and show officials are permitted in the show ring area at any time throughout the show.

Fancy collars, harnesses, studded collars, pinch collars, collars with prongs or spikes on inside or outside, electronic collars, or any other special training collars, or collars that are either too tight or so large that they hang down unreasonably in front of the dogs are not permitted. Nothing shall be hanging from the collars. *Leashes* may be of fabric or leather and must be 6 feet in length for sub-novice classes.
