

## FOR PICKAWAY COUNTY NEWS REPORTERS

All News Reports should be turned into the Extension Office. The Extension Office submits all 4-H articles to the Circleville Herald on behalf of the clubs. This allows us to count your club's news release for honor club points whether it was printed in the newspaper or not.

News released should be complete legible articles. That is not the same as a full secretary report.

We prefer to receive your news articles by e-mail, but you may submit them one of four ways:
