### It's almost Fair Week – What do I need to pack?

Bucket for water	Brushes	Water hose/nozzle	Thank you poster for last year's buyer	DUNF
Feed	Extension Cord	Wire	Tack box	Fan
Feed Pan	Spray Bottle	Show Stick	Groom Shoot	Wheel Barrel (club may share)
Rope Halter	Show Halter	Blower	Shovel/Pitchfork	

### A few things to know:

- ❖ Market Beef classes will include both market steers and market heifers. Market heifers may not also be shown in a breeding class.
- ❖ Quality Assurance training is completed in-person or by on-line YQCA by May 1 with certification received at the Extension Office by May 2.
- ❖ Each exhibitor must register their animals for fair through the online program set up by the Livestock & Sale Committee. On-line registration is open from April 15-May 15.
- ❖ Beef animals, especially steers get to be very large! It is important to start working with your animal while he/she is still quite small. You will need to halter break, walk, and teach your animal to "set-up" or stand square for the show.
- ❖ Sale Intentions must be made! Sale Intentions are required for every market exhibitor for every market show they participate in, even if it's only one! Sale Intentions tell the Sale Committee which animals you are planning to sell through the Livestock Sale and which animals will be loaded onto the packer truck.
